

PRODUCT NAME	LASH EXTENSION FIBRES
SIZE	0.9g Net Wt 0.03 oz.
PRODUCT CODE	C-MASCARA-F

Product Description:

Silk Oil of Morocco's Lash Extension Fibres help to instantly enhance the natural eyelash providing dramatic length and extreme volume. These tiny brush-on black fibres which adhere to the eyelash can be re-applied multiple times until desired look is achieved.

Benefits:

- Helps to create dramatic length & extreme volume
- Can be re-applied multiple times for a dramatic finish
- No harmful glue that can damage natural eyelashes
- Durable/ long-wearing
- Easy to apply and remove

Free From:

- SLS (Sodium Lauryl Sulfate), ALS (Ammonium Lauryl Sulfate) & SLES (Sodium Laureth Sulfate)
- Alcohol
- Lanolin
- Synthetic Fragrances

Directions of use:

For best results complete one eye at a time.

1) Thoroughly apply Mascara to the upper and lower eyelash ensuring the whole lash is covered.

2) Before the Mascara dries, tilt head forward and apply the Mascara Fibre from lash mid-lengths to ends.

3) Re-apply Mascara to seal fibres.

4) Should you wish to build a dramatic look, continue to re-apply the Mascara Fibre ensuring you always finish with an application of the Mascara to seal.

WARNING - Tilt head forward whilst applying fibres. Do not use with contact lenses. If product gets into eyes wash out immediately with water.

Removal:

Can be removed easily with water, make-up remover or facial wipes.

Ingredients: Nylon-6

Manufactured in Taiwan - Packaged in China.
